BiMo (Bilingualism in Monolingual Contexts)

<https://bimo.pixel-online.org/index.php>

The BiMo project was funded by the Erasmus+ Programme, KA2 - Strategic Partnerships for School Education. It aims at deepening the views, impressions and needs of the parents in monolingual societies with implemented bilingual education programmes, and at establishing synergies from societies with greater experience in everyday bilingualism and bilingual education programmes in a foreign language.
